Dear Friends,-

You are a real inspiration to us. Hope the girls go bring each Sunday will find Their personal Saviour and bring their parents slo. Sam's Arthritis and health nees brought us here for 1month of sunshine soaking-up. We hope he will benefit from it. God led us to this home in a marvelous way, just what we needed and can afford. We trust you are well and your church found the right man! We cherish your prayers for Sam's renewal of strength and hope.

With love, Metta & Sam Moyer
